

### A Student's Blessing:

Loving God be with me today when I go to school. Sometimes it is exciting, and sometimes it is fun. Sometimes it is scary, and sometimes it is hard. I know that no matter what happens today, you are with me. Thank you for giving me the gift of learning. Help me to learn from my teachers every day. Help me to remember to show my thanks to you by doing my best. Amen.

### A Teacher's Blessing:

O God, you have called me to teach your children in this community. Be with me in school today. Help me do my best to be patient and kind, no matter what this day brings. Give me courage and strength when they are needed, and a spirit of fun and energy. May the drain of paperwork and administration not overtake me but fill me with the knowledge I need to inform. Thank you for the gifts you have given me to nurture and shape the children in my care. Amen.
